*The rec complex is equipped with a lightning prediction system. If the system should sound an alarm (fifteen second horn blast) during a game, all players, coaches, officials and spectators **must** seek safe shelter immediately. If there is no rain, please wait in your cars until the all clear signal is given (3 – five **second** horn blasts) at which time games will resume. If it rains before or during games and the outdoor courts become unplayable, the underlined court will move indoors. If it rains and neither court is underlined, please call the rec office, 861-1045, after 4:30 PM for instructions. A message will state which games, if any, will be moved indoors.
